**A Revolutionary Platform Connecting
India's Village Artisans to the Global Market**

About Garud

Garud is a powerful digital movement designed to uplift rural India by enabling small artisans and producers to access the global marketplace, directly and fairly.

What Makes Garud Different?

Who Is It For?

- 01 Small village based artisans
- 02 Local producers & traditional craftsmen
- 03 Rural youth with creative potential
- 04 NGOs and Self Help Groups looking to digitize their reach

Garud Is More Than Just A Platform—It's a Movement.

Join us in shaping a future where rural India leads the digital economy, proudly and profitably.
